Members share a common concern of gaining access to education for their children and the provision of services required to achieve this. We encourage any family educating children in rural and remote Australia, from the early learning years right through to tertiary level, to join. ICPA invites fishermen, miners, itinerant employees, farmers, pastoralists and business owners to help us strive for a better education for our children.' Below the text is the ICPA logo and the website 'Visit | www.icpa.com.au'. At the bottom, there is an illustration of a young girl in a pink shirt and blue skirt looking up at a tall stack of books.
