What we're working on

- Continuing to work with the Department of Education with Version 9 Australian Curriculum rollout, monitoring reduced content and a greater emphasis on literacy and numeracy.
- Ongoing collaboration with Queensland Curriculum and Assessment Authority (QCAA) on areas such as Artificial Intelligence, academic integrity, NAPLAN, QCE/ATAR and subject offerings.
- Monitoring Curriculum review assistance with Schools of Distance Education to align independent learning materials.
- Working with the Joint Parent Network and QCAA regarding Artificial Intelligence in education.
- Collaborating with and seeking recommendations from The Australian Centre of Excellence for the Digital Child to enhance children's digital education, raise program awareness and improve online delivery.
- Collaborating with Queensland Virtual Academy (QVA) with involvement in stakeholder reference group.
- Collaborating with the Boarding Schools/Hostels/Non-State Schools portfolio to progress the Agricultural High School proposal and ensure the model aligns with the needs of rural and remote students.

What we've achieved

- Inclusion of Phonics Program in the Prep and Year One curriculum.
- Informative online webinar "Artificial Intelligence in the Home and at School" held in conjunction with the Joint Parent Network with over 700 attendees.
- Participation in Queensland Certificate of Education review with University of Melbourne – Assessment and Evaluation and Research Centre.
- Informative online webinar dedicated to unpacking NAPLAN for parents, held in collaboration with the Joint Parent Network and QCAA. Over 800 registered participants.
