

Expression of Interest – Conference Satchel & Convening Committee Shirts

In 2026, ICPA Australia will proudly host the Federal Conference on the Gold Coast. The QLD Convening Committee is determined to make this event truly memorable — right down to the details that showcase our pride and community spirit.

Our goal is to create conference satchels that attendees will love, use, and cherish long after the event ends. As part of this vision, we're inviting **Expressions of Interest (EOI)** from ICPA members to design and make these satchels. We're looking for something unique, practical, and full of heart — a true reflection of our community and the spirit of ICPA.

Here is our inspiration to help guide your quote and ideas.

Bag style

We are also keen to give a small business some national exposure through this opportunity.

If you think you can bring this vision to life, we'd love to hear from you!

Please include in your submission:

- A proposed design concept aligned with the vision board
- Quote for 250 bags (to be produced in a range of colourways)
- Material options and construction details
- Your small business name, Facebook page, and/or website
- Timeline: Manufacture and construction must be completed by April 2026

In addition to the satchels, we are also seeking an EOI for Convening Committee uniform shirts — something as unique as the committee itself!

We're after shirts that stand out, think cute collars, frills/ruffles, and unique style.

Please include in your shirt EOI:

- Design concept and inspiration
- Quote for 18 shirts (range of sizes)
- Fabric and colour options
- Production and delivery must be complete by April 2026

Submit your EOI and design proposals to conferenceconvenor@icpaaust.org.au

Let's create something special together — from the satchels to the shirts — and make the 2026 Federal Conference a truly unforgettable celebration of ICPA spirit!
