

LONE MEMBERS CONFERENCE REPORT – June 2023

The QLD Lone Members Branch is for those Members without access to a Branch.

Membership for 2023 stands at 9 members with the demographics ranging from Roma, Barcaldine, Brisbane, Toowoomba and in between. Membership for Lone Members is down with all Boarding Schools taking up the new subscription to Friends of ICPA (FOICPA). ICPA QLD is aiming to be more active with our Lone Members in the year to come.

The bank balance at 30/04/2023 is \$6,199.10 after all paid memberships have been transferred. This money is available to the Lone Members to help with their costs associated with attending conferences. A raffle will be held this year on Pre-Conference night in place of the games that originally have been held at this time.
