

Using the Family Medicare Card

- Families can request one extra physical copy of their family Medicare card.
- Anyone aged 14 years and over can access a digital version of the Medicare card through their Medicare online account via the myGov app.

Do Boarding Students Need a Card

- Rural and remote students attending boarding school **DO NOT** require a physical copy of the family Medicare card to independently access medical services.

Copy Card for Students Under 15

- Children under 15 can have their own Medicare card while remaining on the family card. This is known as a '**Copy Card**'.
- Parents can request this by completing the **MS011 Application Form**.
- A parent may be listed as the contact person.

Students Aged 15 and Over

- Children aged 15 + years who wish to have their own Medicare card can transfer from the family card by submitting the same **MS011 Application Form**.

More Information

- For further information regarding requesting additional Medicare cards or accessing the digital card option, visit: **servicesaustralia.gov.au/your-medicare-card**.
