

Proud Parent Moment

Our branch members, Pete and Wendy Sheehan, made the journey to Toowoomba to watch their daughter Taylor march in the ANZAC Day Parade. Taylor is a Sergeant with the Toowoomba Grammar School Army Cadets (pictured below). What a proud moment – ANZAC Day has always been very significant in our house and, (with permission), I just had to share the photos that Wendy sent.

The recent rains which have brought much needed relief to most of outback Queensland have been responsible for the cancellation of a number of events throughout the district.

Two of these have been the annual Longreach Show and the Isisford Sheep & Wool Show. For most places the rain has provided much needed relief going into winter. For some, however, there have been stock losses caused by

flood water and boggy conditions. Our thoughts are with those families who have to cope with this situation.

On behalf of all past and present members of Yaraka Isisford Branch, I would like to say an enormous THANK YOU to Raelene Hall for the outstanding job she has done as editor and publisher of Pedals Magazine since 2005. This has been an enormous undertaking and must have consumed hundreds of hours of Raelene's time. The quality of the finished product is first class and this is due in no small part to Raelene's skills and diligence. So, on behalf of us all, THANK YOU Raelene. Take a bow and begin to enjoy the next chapter of your life.
