# SPONSORSHIP PROPOSAL

SOUTH AUSTRALIA ICPA  
STATE CONFERENCE 2026  
30 APRIL BURRA

**BREAKING BARRIERS**  
CONNECTING RURAL COMMUNITIES  
THROUGH EDUCATION

---

# ABOUT ICPA

ICPA is a national, non-political, entirely voluntary organisation dedicated to enriching the lives of rural and remote children throughout Australia with a rich 50-year history. We believe the quality of a child's education should not be determined by their postcode. There is no other organisation that advocates solely for rural and remote children's education.

The annual ICPA state conference attracts attendees from diverse groups, including ICPA members, media, departmental representatives, politicians, and educational authorities.

The conference is a face-to-face platform for attendees to discuss and share ideas, raise motion topics and issues, speak passionately towards education and help plan a positive future for our geographically isolated families.

In 2026 the North East Branch will be hosting the state conference in Burra. The North East Branch represents families from Burra, Yunta, Peterborough, and surrounding communities along the Barrier Highway and beyond. Each member has a passion for achieving the best in rural and remote education.

---

# ABOUT THE EVENT

- **Wednesday, 29 April**

## **Pre-Conference Welcome Evening**

To be held at the Burra Bowling Club. Enjoy a casual dinner and the option to play a friendly game of night bowls under the stars.

- **Thursday, 30 April**

## **SA ICPA Annual State Conference**

Hosted by the North East Branch on behalf of the State Council, the conference will be held at the historic Burra Town Hall.

- **Thursday, 30 April (Evening)**

## **Conference Dinner**

A social evening at the Burra Football Club Complex. The dinner offers a chance to unwind, network, and enjoy the company of fellow attendees in a warm and welcoming setting.
