

# Tertiary Access Payment (TAP) Second Instalment Update

The Tertiary Access Payment (TAP) is designed to support students from outer regional, remote, or very remote locations in pursuing tertiary education.

Listed are the key criteria and steps required to receive the second instalment of TAP.

## PAYMENT DETAILS

Eligible students receive a total payment of \$5000, divided into two instalments:

- First instalment: \$3000
- Second instalment: \$2000

## ASSESSMENT DATES

The second TAP instalment assessment dates depend on the course start date:

- If starting in the first half of the calendar year, assessment is 42 days after 1 August.
- If starting in the second half of the calendar year, assessment is 42 days after 1 February of the following year.

## REVIEW PROCESS

Students must undergo an online review process to receive the second instalment.

- A Proof of Enrolment (POE) must be provided for this review, showing:
- Student's name
- Education provider
- Units enrolled or confirmation of full-time enrolment
- Study period
- Document issue date, which must be on or after the relevant assessment date.

## SUBMISSION DETAILS

- The online review can be submitted without immediately uploading the required documents.
- Submitted reviews are held for 28 days.
- Failure to provide requested documents within 28 days will result in non-payment of the second instalment.
- If documents are provided within 90 days, students can request a reassessment of their claim.
